

OUTSIDETHELENS

Summer Science: A Photographic Exploration

Explore the art of science with Outside the Lens this summer!

[REGISTER HERE](#)

3rd - 5th Grade
OTL Media Lab, Point Loma
1 Week / July 20 - 24, 2020

Come join us this summer and explore the art of science through photography! We will create abstract and innovative imagery while exploring the marvels of science. Projects will include using macro photography to capture the interactions between oil, water and color, and experimenting with the relationship between light and shadow.

Why Choose OTL?

- + Learn from experienced photographers
- + Work with caring educators
- + Small class sizes
- + Experience working with youth
- + OTL support staff available

Give a Kid a Camera. Build a Better World.

Program Cost

\$339 Full Day
9:30 AM - 3:30 PM

Program Highlights

- + Create abstract pieces of art
- + Enhance your photography skills
- + Collaborate with other students
- + Explore the art of science
- + Create your own artistic portfolio
